

Dear Colleague,

I am writing to ask if your university would be interested in forming a partnership with the Istanbul Vocational School of Health and Social Sciences in the field of **interior design** and within the framework of EU Erasmus Programme.

Istanbul Vocational School of Health and Social Sciences was founded in 2010 and has expanded rapidly over the last few years and now become a dynamic, progressive, modern university of international standards. More than 5000 students participate in education in a total of 14 departments in our Vocational School.
